

Supervision with Peak Health Coaching Ltd Service Level Agreement for Group Health Coaching

Group Supervision provides an opportunity for professionals to think and talk about their practice in the presence of peers who will pay them exquisite attention and, when invited, offer their own insights. My role as a supervisor, is to provide exactly the right environment for colleagues to do their very best thinking, so that they can articulate the questions that will be the most useful to answer.

Group Supervision with Peak Health Coaching

Participants can book as a small group or individually on any of our group supervision sessions, availability allowing. We have provided below key information about our group supervision sessions but please contact support@peakhealthcoaching.com should you have any questions.

Number of participants per session: 2-6 per session

Duration of session(s): 90 minutes

Frequency: 4-8 weekly

Booking: Participants will be sent details of available supervision booking dates to enable them to book directly

Payment: £500 plus VAT per participant for 6 sessions. This is to be invoiced and paid ahead of first session.

Cancellation policy: >4 weeks ahead (rebooking available)
2-4 weeks ahead (50% session fee payable)
<2 weeks ahead (100% session fee payable)

We appreciate that there may be unforeseen circumstances that would prevent attendance at supervision sessions, and when we are made aware of these in advance, we will do our best to accommodate colleagues on other sessions.
